

		floor. (or 3 par64 cp61)
Ceiling light	14	Model: 8 Par64 cp61 6 moving Led-wash 16bit
Backstage left stand	1	Model 1 stant 1,5m heght 1 fresnel 1000w
Frontlight FOH	5	Model: 5 profiles, pc's or fresnel's
Light console	1	The show is programmed on Cobalt 8.2, however any digital console can be used if a local operator is available to program the show.
Dimmers	A minimum of 28 dimmer channels 2kw	
Filters	8 cut (2 cut) (1 cut)	Lee 201 (par cans) (Lee 201 if no led on floor) (Lee 137 if no led on floor)

Sound

All sound listed below should be provided by the organiser.

Subject:	Quantity:	Additional comments:
Mixer	1	Inputs for 4 - 6 microphones Input for computer
Position of sound operator	Next to light console	Run by the same person
Speaker	2 - 4 Side fill monitors and sub on stage PA top: 2 Sub: 2	
Microphone	1 - 2	1-2 shotgun microphones or similar. Our wish: 4 floor/boundary microphones (Crown PCC160 or equivalent)
Microphone stand	2	2 low stands for shotgun microphones
Computer	1	Needs to have input for USB so that the performance music can be played from this computer.
Sound operator	Yes	We need a local sound operator to set levels and operate the microphones and sound during the show

Marketing, press talk etc:

In the case any marketing- or press activities involving any of the crew this is to be settled beforehand with the company. Artists talk etc. are to be settled in contract. Should the performance be taped we require a copy of the recording.

Other requirements

- The stage, dressing room and warm up area needs to be at least + 23 celsius.
- The performers want to be able to arrive to the theatre 5 hours before performance for staging and warmup.
- Organizer needs to provide proper cleaning of stage before each performance
- Depending on where and when the organizer needs to be able to offer the company catering afterwards if no restaurant is open close by
- Company would like a drawing of the stage on beforehand.

If you are in any doubt whether or not you are able to meet our demands, please do not hesitate to contact us in order to work out a solution. It is very important that all technical issues are solved prior to our arrival.

Thank you.
